Jeff May 21st, 2013 . I was a major victim of a Narcissist! It has destroyed my family, business, friends and now rolls into my current relationship. I was with her for 11 years - then we split for a while, I met someone else who was wonderful and I swore that I would never go back (This is before I understood what a narcissistic was or that I was being so damaged).

Historical negationism, also called denialism, is falsification or distortion of the historical record. It should not be conflated with historical revisionism, a broader term that extends to newly evidenced, fairly reasoned academic reinterpretations of history. In attempting to revise the past, illegitimate historical revisionism may use techniques inadmissible in proper historical discourse ...
