André Citroen, like no one else, understood the mood of the era and the needs of his contemporaries. He was one of the first to create the concept of a democratic car, accessible to everyone. For him, communication with people was the main source of inspiration and ideas that formed the basis of technological developments.

Citroen Service, Repair Manuals - Wiring Diagrams

Hi I just recently imported 2013 citroen c4 Picasso EGS and after I drive some time car shift from automatic to the manual. And message displays on screen gearbox faulty need repair. But when stop car and turn of and on again then car go on normal automatic mode. So please advise me what I have to do or repair in car.
