Six Simple Rules is a "roll up your sleeves and get in the trenches" approach to management, one that calls for manager to engage with both the work they are asking to be done and the people they are asking to do it. I can tell you this approach works because for over twenty years I have used a similar approach.

Six Simple Rules. Y. Morieux & P. Tollman. Six Simple Rules. The premise of this book is that the hard (Theory X) and soft (Theory Y) approaches to management are no longer suitable in our increasingly complex business climate. The hard approach tries to manage complexity by controlling employees through policies, incentives and structures.

Six Simple Rules. Complexity in the 21 st century comes from clients having many options and with a rapidly changing marketplace. The state of business in the 21 st century has become slow and cumbersome for many large organizations in spite of increasing performance measures. The author asserts that this is due to the way that organizations have responded to complexity, and by adding more ...
