There are many Moroccan Folk stories that are still told throughout Morocco today. These stories each teach lessons and give an insight to Moroccan culture. An "insight" is an understanding of something. Many Moroccan folk stories have similar themes. A "theme" is an idea or topic that repeats itself.

Every month since January 2008 The Psychologist has featured a One-On-One interview page in which leading psychologists are asked, among other things, to name one book or journal article, either contemporary or historical, that all psychologists should read. Here's a handy link-filled list of the answers so far (please use comments to mention any must-read books or articles you think they missed).
