The purpose-designed industrial lubricating waxes and wax emulsions from Klüber Lubrication deliver a ready-to-handle surface. At the same time, they reliably protect your components against wear and corrosion. Depending on the lubrication, for-life lubrication is possible in many cases, thus saving unnecessary labour expenses.

Kluber Lubrication: Innovative speciality lubricants ...

It is a really hard to reply question. Kluber is a highly specialized lubricant maker, and his quality is superb. I think that none of the lubricant makers not even the biggest ones, has a catalogue matched to Kluber... there are some cross reference tables across the internet, but i think that you will have to compare many brands to find the one that matches kluber tightly.
