This makes Xperia 1 feels like a DSLR at times, and can be good and bad depending on your taste.

Personally, I think the flexibility of the three cameras make the phone fun to use, and the great image quality that can be extracted out of the camera system makes it rewarding even though manual adjustment is occasionally needed.

A handheld game console, or simply handheld console, is a small, portable self-contained video game console with a built-in screen, game controls and speakers. Handheld game consoles are smaller than home video game consoles and contain the console, screen, speakers, and controls in one unit, allowing people to carry them and play them at any time or place.
