Any change to get the Mazda NB1 TMC operational, while making the next upgrade? Actually, I mean that to get the TMC operational while driving here in Finland, as the NB1 TMC start working fine just after exiting ferry in Sweden. TMC didn't work with 10.854 and it's still not working with the upgraded 10.855 (in Finland). Sami

If you want a manual car, well, buy a manual car and skip this. But, heck maybe you just found a showroom perfect car, which just happens to be an automatic. Note that the automatic car has a different factory wire harness than the manual car does. This is not just at the transmission but also throughout the car.
