That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Self Renewal The Individual And

Gardner asserts that the individual's role in social renewal requires each person to face and look beyond imminent threats. Ultimately, we need a vision that there is something worth saving. Through this vision, Gardner argues, society will begin to renew itself, not permanently, but past its average lifespan, and it will at once become enriched and rejuvenated.

No book of his affected me more than Self-Renewal: The Individual and the Innovative Society. Written in 1963, it still held great relevance for me in 1989. Having just reread it 20 years later, I was struck again by how John's words of wisdom resonate even more strongly today.

Self-Renewal: The Individual and the Innovative Society by ...

The fundamental responsibility, however, is the individual's; and, in a sense, the book constitutes a moral appeal to each person to liberate himself, to involve himself in the effort to renew. The individual must choose, the author suggests, to innovate, to strive.

Self-Renewal: The Individual And The Innovative Society

In 1964, the prolific social science writer John W. Gardner published Self-Renewal: The Individual and the Innovative Society (public library) — a forgotten book of extraordinary prescience and warm wisdom, which rings even timelier today. It's a must-read as much for entrepreneurs and leaders seeking to infuse their organizations with ongoing vitality as it is for all of us as individuals, on our private trajectories of self-transcendence and personal growth.
