Tekserve was an American consumer electronics and information technology consulting business based in the Flatiron District of Manhattan, New York City. Founded in 1987 as a side business by Macintosh-using engineers designing computer-controlled institutional electronics, Tekserve grew from a small back-office Macintosh repair shop to become the largest single-location Apple Specialist and Premium Service Provider in the United States. The store announced it would be closing on August 15, 2016.

The service is always very professional. In '05 I had my mac Mini's CD drive repaired under the warranty for free. No problem. Recently I had an airport card installed in my mac Mini. Since my Mac is relatively old, the items needed for installation had to be special-ordered. However, TekServe didn't charge me for that.
